THE CRESSET

VOLUME 46

Chillicothe High School
Chillicothe, Missouri

I REMEMBER those days of 1953-1954 in C. H. S. Most of them were happy days. All of them are locked in the golden casket of memory now. At a turn of the key they come flooding forth again. From the glad rush of first day greetings, through the round of classes, assemblies, parties, games, picnics, exams, plays -- all the year's events -- to commencement that meant goodbye for many, it was a wonderful year.
